MINUTES OF THE
ANNUAL MEETING OF THE WEST VIRGINIA
LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION
WHEELING, WEST VIRGINIA
MAY 19, 1988

The Annual Meeting of the Board of Directors of the West Virginia Life and Health Insurance Guaranty Association was called to order at 10:00 a.m. on May 19, 1988, in Wheeling, West Virginia, by Chairman John S. Boritas, pursuant to the prescribed advance notice to the membership.

The Board Members present were: John S. Boritas, Chairman (Metropolitan Life Insurance Company); Steve Rahn, Vice Chairman (Lincoln National Life Insurance Company); Jack L. Miller, Treasurer (Appalachian Life Insurance Company); R. Ray Poole (Peoples Security Life Insurance Company); and Herbert G. Knox, Secretary (Nationwide Life Insurance Company).

The guests present were: T. Randolph Cox, Legal Counsel; Mark Chandler, Accountant; Mauna Frye, Administrator; James Little, Claims Director, Fay Varney of Appalachian Life and Mitch Collins, Chief Examiner of the Department of Insurance. Insurance Commissioner Fred Wright, Legal Counsel Cheryl Davis, and Deputy Commissioner Hanley Clark were unable to be present.

The Minutes of the 1987 Annual Meeting was discussed and approved without revision upon the motion of Mr. Poole and second by Mr. Rahn. The motion by Mr. Knox to approve the actions of the Board of Directors in preceding calendar year was seconded by Mr. Poole and adopted without dissent.

Secretary's Report. Secretary Herb Knox presented the draft of the Association's Annual Report to the Insurance Commissioner. The discussion that followed indicated that the Association should not finalize the Annual Report until a current status report is received from the Receiver of the Iowa State Travelers Mutual Assistance Company (ISTMAC) insolvency. Such report was expected to be available in the next few weeks. The motion by Mr. Rahn and second by Mr. Miller to accept the draft of the Annual Report subject to amendment to include information on ISTMAC was adopted. Chairman Boritas instructed that the Annual Report be finalized as soon as possible and promptly transmitted to Commissioner Wright.

Treasurer's Report. Treasurer Jack Miller presented an overview of the financial status of the Association. He provided an estimate that a small amount of funds would be necessary to settle the long pending insolvency of ISTMAC. He indicated that about ninety-five percent of the ISTMAC operations had been completed. Mr. Miller stated that it appears that the assets recovered by the courts and the Receiver in the ISTMAC case would result in a substantial return of funds to the Association and our members. He suggested that the Association further consider and determine if:

(1) a refund of the ISTMAC surplus should be made to members, or

(2) the surplus be carefully invested by the Association and credited to members on future insolvency assessments.

Treasurer Miller continued his report by indicating that to date the assessment on the Farm and Ranch insolvency had resulted in the collection of $495,494.00. The Association has disbursed approximately $222,000 in claims payments and expenses. He concluded his comments by stating that not all of the assessments had been received but the remaining funds would likely be collected by the end of the month.

Audit Report. Mark Chandler of Lockwood and Chandler Certified Public Accountants, Inc. stated that he was no longer associated with the Appalachian Life Insurance Company. He indicated that his independent accounting company would be honored to conduct the annual audit and any requested update of the Association's financial status.

Mr. Chandler reported that as of the Audit and Financial Statement dated December 31, 1987, the Association continued to maintain a very strong and sound financial condition.

Chairman Boritas made the observation that this Association had continued to maintain the lowest claim costs of any of the other guaranty associations. He stated that there had been only one Class A assessment since the start up of the Association in 1977.

Claims Report. Claims Director James Little reported that there has been little change since the March 1988 status statement on ISTMAC. He verified that ISTMAC should be considered nearly complete. It has been several months since new claims and inquiries had been received. He stated that the Association had not received a distribution of assets from the Receiver.

Mr. Little provided a status report on the Farm and Ranch case. To date, 233 claims had been paid for a total of almost $214,000. He stated that the claims settlement process had been very difficult due to the lack of cooperation and information from the Receiver as well as the proof of insurance coverage in many cases, and the demands of insurance agents. He explained that several of the MET policies did not have an affidavit of residence and that most of the credit life and credit disability policies had not been signed by applicants. He continued by stating that more MET coverages were involved than originally estimated and that the Association may need an additional $100,000 over the amount assessed on members in order to pay claims. He indicated that most of the Farm and Ranch credit policies are single premium coverages and that the potential liability may be as long as nine more years. He observed that there was a need for at least one year of claims experience before the Association could move such coverage to reinsurance companies.

In effort to reduce claims costs, Mr. Little suggested the consideration of:

(1) the prepayment of loans on credit life and health, and

(2) the early refund of agents commissions which would be permissible under the so-called Rule of 78.

He continued by explaining that the prepayment of long-term loans would reduce the interest charges. Further, the Banks are permitted to make refunds under the Rule of 78 and that prepayment of the loans would reduce costs by the refund of unearned commissions and unearned premiums by a pro rata amount.

Chairman Boritas requested Mr. Cox to review the statutes relating to this situation and to make recommendations regarding the prepayment of such loans, methods of making refunds, and the legal matters that should be considered by the Association. It was agreed that no refunds would be made to banks until they present proof of refund to policyholders.

Mr. Little continued his claims report by stating that the absence of adequate information and documentation has greatly affected the prompt processing of claims. He added that he may have to obtain the hard file copy of records to enable the settlement of the MET claims. He concluded by stating that this case had been made more complex and difficult because it involved affiliated companies and the insurance departments in Kansas, Ohio and Texas.

Mr. Poole and Chairman Boritas asked several questions and made comments relative to making every effort to obtain the necessary documentation in effort to best serve and protect the interests of West Virginia policyholders. The Board expressed its appreciation to Mr. Little for his considerable efforts on this case and encouraged him to maintain the good work.

Chairman Boritas inquired if there would be a need for an additional Class A Assessment or Class C Assessment. Mr. Miller stated that perhaps we should delay the consideration of another assessment until a later date. He indicated that the Board has the authority to loan funds from the current account balances if it becomes necessary to pay claims.

Chairman Boritas commented on the status of law suits by the Receivers and indicated that the Ohio Receiver was taking action to retain all assets solely for Ohio policyholders.

Administrative Report. Mauna Frye reported that the administrative activities of the Association involve numerous telephone and mail inquiries from and to policyholders and claimants. She indicated that the administrative expenses were continuing at a very low level because the Association contracts for professional employees and office equipment on a needs basis without the purchase of any property. Mrs. Frye observed that the administrative costs had increased considerably since the Farm and Ranch insolvency due to the lack of information needed to process claims.

The motion of Mr. Rahn and second by Mr. Poole was adopted to express the great appreciation of the Board to the people of Appalachian Life for the effective and efficient processing of Association Claims.

The motion of Mr. Rahn and second by Mr. Poole was adopted that the Association pay the cost of processing claims to Appalachian Life.

The motion of Mr. Miller and second of Mr. Knox was adopted to pay the accounting and audit fees of Lockwood and Chandler, Certified Public Accountants, Inc.

Chairman Boritas reported that the Baldwin-United case was nearly completed. The Association's share of the total cost was only $6,800 as compared to the earlier projected liability of at least $100,000. He continued by indicating that the Association may receive a refund of as much as $1,800 of the $6,800 paid. The members of the Board commended the Metropolitan for the effective and efficient management of the Enhancement Plan for Baldwin-United policyholders.

Mr. Miller observed that it was not necessary to make an assessment on the Baldwin-United case. He reminded the Board that all of the amount of three assessments in the Old Security case a few years past had been refunded to members. Further, he indicated the Board's pleasure in the prospects of making a refund or establishing claims reserves for future credits on the pending ISTMAC insolvency.

Mr. Miller requested that the minutes reflect the Board's approval of and support for the National Organization of Life and Health Insurance Guaranty Associations (NOLHGA).

Election of Board Members. Chairman Boritas delivered the report that the Nominating Committee had nominated for a three-year term on the Board: the Nationwide Life Insurance Company, represented by Herbert G. Knox. Mrs. Frye reported that the number of ballots and proxies received exceeded a majority of the Association's membership. The Chairman called for additional nominations from the floor and, being none, the nominations were closed. the motion by Mr. Miller and second by Mr. Poole to reelect Nationwide Life to the Board was unanimously adopted.

Election of Officers. It was moved, seconded and adopted that the Association Officers to serve until the adjournment of the 1989 Annual Meeting be:

John S. Boritas, Chairman
Steve Rahn, Vice Chairman
Jack L. Miller, Treasurer
Herbert G. Knox, Secretary

The meeting adjourned at 12:55 pm.

It was moved and seconded that the minutes of the association's 1987 Annual Meeting be accepted and the reading waived since copies of the minutes had been mailed to the members.

A financial report as of March 31, 1988 was given by Secretary/Treasurer Ed Marks, which was accepted by the Board. He advised the Board that the present funds and working capital appeared adequate, that the assets comprised a US Treasury Bill in the amount of $5,000,000.00, a checking account at the Twentieth Street Bank in the amount of $1,382,413.00, a money market account at the First Huntington National Bank in the amount of $344,287.00 and a checking account at the National Bank of Commerce in the amount of $3,015.00 that is being closed out. Mr. Marks reviewed with the Board the Treasury Bill activity since the last meeting on August 24, 1987 advising that the present bill would be renewed in the same amount on April 14, 1988 and the current bill was yielding 5.03%.

Dick Welsh advised the Board that a crime policy or surety bond has been secured through the Ohio Farmers in the amount of $1,000,000.00 and the annual premium was approx. $2000.00. The policy insured both the Ohio and West Virginia Guaranty Associations. On motion of Jeff Baxter it was moved and seconded that the limit be increased to $2,000,000.00 if Mr. Welsh feels the premium is acceptable and the Ohio Association agrees with the increase. It was felt that the increase was necessary since the policy insured both associaitons.

Charles Breidstadt reported that he had an opportunity to meet with John Majors of Ernst & Whinney and review the annual audit report. He advised that there were no material weaknesses in the accounting controls found in either the West Virginia or Ohio Associations, that a non-qualified opinion was rendered, the association appeared to be administered in an efficient manner and the fees charged by the Ohio Association appeared reasonable. He then reviewed the recommendations of the auditor for improving controls and procedures, the majority of which had already been corrected. Mr. Breidstadt then reviewed the service fees charged by the Ohio Association, noting that they had risen from $73,000.00 in 1986 to $141,293.00 in 1987, but the 1986 figure only reflected three quarters billing and the 1987 figure reflected five quarters billing. On motion by R. D. Welsh, seconded by Al Marthinsen the audit was approved and the report of the audit committee accepted.

Administrator Jim Lane reviewed with the Board the present check signing procedure and the problems that had arisen over the Quality Insurance Company. At present all checks over $5,000.00 require two signatures and since the Quality claims were being handled in Fairmont, West Virginia they had to be sent to Columbus for the second signature. On motion of John Arbuckle, seconded by Dick Welsh it was moved and passed that in the Quality claims only, that the $5,000.00 limit for two signatures be increased to $10,000.00 for the short period of time that they will still be handled from Fairmont.

Charles Breidstadt recommended that a form be developed for checking company assessments and that it include the signatures of those individuals that had checked the calculations. Mr. Lane reviewed the present procedure for checking the assessment calculations with the Board and he advised that the only uncollectible assessments were those of companies that had been declared insolvent themselves.

John Arbuckle in his Chairman's report stated that there had been three insolvencies received during the past year and that there appeared to be no new ones on the horizon. He reviewed the Quality assessment, noting that only one-half had been collected, that the association had received a complementary audit report with very few internal control recommendations, that the Claims Audit Committee had reported no material weakness in their audit report and the improvements that had been made to the surety bond program. Mr. Arbuckle complimented Jim Lane and his staff for their work and recommended that their contract be renewed for the coming year. He then thanked the Board and the staff of the West Virginia Insurance Department for their work in the past year.

Administrator James E. Lane reported to the Board reviewing the status of existing company insolvencies. Mr. Lane noted that there was not any Board action required on the prior insolvencies, but the Board needed to ratify the acceptance of the following: Quality Insurance, Professional Mutual Insurance and the acceptance of Mountaineer Fire & Casualty. A motion was made by Dick Welsh, seconded by Al Marthinsen and passed by the members to ratify and accept this matter. Mr. Lane then reviewed the status of assessments on an individual company basis with the Board. He noted that early estimates on the Quality insolvency would run as much as $10,000,000.00 but it now appears that $5,000,000.00 may be sufficient. He estimated that there may be 2,000 claims, that all of the claims have not been processed yet, but the handling of hardship claims should be completed. He attributed much of the reduction in the initial $10,000,000.00 estimate on Quality to the large number of claims that had been paid by other insurance carriers. He advised the Board that he was comfortable with the present Quality assessment and would defer collecting the balance of the assessment at this time. He also reviewed with the Board the assessment of April 7, 1987 advising of the current amounts paid out and outstanding at this date.

Mr. Lane advised that the signatures on the bank accounts needed updated to have the new officers reflected on the signature cards on the money market accounts and checking accounts. A motion was passed authorizing the new officers to sign the signature cards. After a discussion period it was moved and seconded to accept the report of the Administrator.

Mr. Welsh reviewed the nominating committee's recommendation for officers for the coming year and the following were elected:

John Arbuckle, Jr.----Chairman
Alan R. Marthinsen----Vice Chairman
Edward R. Marks, Jr.--Secretary/Treasurer

A motion ratifying the action and activities of the Board, Employees and Agents during the preceding year was properly moved, seconded and unanimously approved by the Board.

In other matters Chairman Arbuckle reviewed a letter received from Don Waskom concerning the claims authorization procedure and read the Annual meeting minutes of May 1985 that addressed this issue. Presently there are three layers of authorization depending on the size of the claim and the question arose as to the authorization required when the size of the claims passes into another layer of the authorization. It was agreed that each layer of authorization should act if the claim were that large. June Hammes stated that time can be a serious factor in settling a claim and she could see a time delay in settling claims that could delay it by as much as a month. To eliminate this possibility the Claims Authorization Committee was expanded from the present three member to five and any three of the committee could review the claim and approve it for payment.

Jeff Baxter recommended that the service contract with the Ohio Association be renewed for another year. Jeff's motion was seconded by Al Marthinsen and passed by the Board. Charles Breidstadt abstained from voting since he is a member of the Ohio Association.

Jim Lane reviewed with the Board his status with the Ohio Association and their progress in looking for a successor for his position when he retires. He stated that he has a 3 year contract with the association but that it can be converted to a part-time general counsel position if a successor is found within the 3 year period. At the present time they are interviewing individuals with claim experience and a law degree.

Jim Lane reviewed the work of Counsel Greg McNeer and recommended that he be retained for the coming year. Al Marthinsen made the motion, which was seconded by Dick Welsh and it was passed by the Board unanimously.

Chairman Arbuckle appointed the following committee chairmen for the coming year:

Financial Audit Committee----Charles Breidstadt
Claim Audit Committee----R. D. Welsh
Investment Committee----Ed Marks, Jeff Baxter & R. D. Welsh
Claim Authorization Committee----to be appointed
Company Nominating & Officer Nominating----R. D. Welsh

The need for an August meeting was left open at this time. If there is a need for one it will be scheduled accordingly.

R. D. Welsh advised the Board that there is a possibility that the Association may be covered under the State of W.Va. Liability Insurance policy. The Attorney General has been asked by the FAIR Plan for his opinion.

Chairman Arbuckle advised that a Mid-Year Chairmans report be done advising the status for member companies when the discussion of Ohio Association newsletter arose.

There being no further business to come before the Board, the meeting was adjourned.

Edward R. Marks, Jr.
Secretary/Treasurer

Of the thirteen classifications published during the year, seven represent improvements in class and five remain the same. Eight classifications represent fire districts not previously classified.

Two West Virginia communities (Grafton and Huntington) continue to be published out-of-class awaiting the completion of improvement programs to regain their former class. We propose to review these communities in the near future.

It should be noted that surveys were conducted and the classifications were published for fire insurance rating purposes only. They were not for property loss prevention or life safety purposes and no life safety or property loss prevention recommendations are made.

CONSUMER SERVICE DIVISION

ORGANIZATION/PURPOSE

The Consumer Service Division is comprised of: six (6) Complaints Examiners, who serve as liason personnel between the insurance industry and insured citizens; four (4) clerical staff; and one Director.

The Consumer Service Division is responsible for the review of facts surrounding complaints received against insurance companies and or agents. It is the Division's aim to objectively evaluate the facts of each complaint received in accordance with West Virginia Insurance Law and to mediate a fair resolution to each such complaint.

It is the further purpose of the Division to help inform both the public and the insurance industry as to their rights and responsibilities pursuant to West Virginia Insurance Law. As part of this endeavor it is the responsibility of the Division Staff to identify problem areas in the insurance industry and to help formulate policies and practices to alleviate such problems.

GENERAL ACTIVITIES

CONSUMER COMPLAINTS SECTION

The Consumer Service Division receives consumer complaints by mail, telephone, and by walk-in visits from the public. A complaint file is set up for each written or walk-in complaint and remains open until such complaint is resolved. A total of 3661 written inquiries were made to the Division in 1988 in addition to 700 walk-in clients. The Division also received 23,620 telephone calls of which 12,117 were received on the "toll-free" line that is provided for the convenience of the citizens of West Virginia.

Through the efforts of the Consumer Service Division, approximately 2.8 million dollars was returned or paid to WV Consumers during 1988. These monies represent refund of premiums, and payment of claims unsettled due to a dispute, delay, or misunderstanding between the consumer and the insurance company.

FINANCIAL CONDITIONS DIVISION

The primary responsibility of the Financial Conditions Division is to monitor the financial stability and solvency of insurance companies admitted to do business in West Virginia. This includes traditional Life and Health and Property and Casualty Companies as well as Health Care Corporations such as Blue Cross/Blue Shield Plans and Health Maintenance Organizations.

Prior to being admitted, these companies must file an application with the Commissioner. The applications of these companies, either foreign or domestic, are reviewed by the Financial Conditions Division to ensure that the appropriate statutes have been satisfied in regard to the companies' general organization and financial strength. Recommendations are then made to the Commissioner as to the admissibility of these applying companies.

Those companies admitted by the Commissioner are then monitored by the Division to ensure that they maintain the financial stability and solvency necessary for the protection of West Virginia policyholders. Our primary emphasis in this area is with our domestic companies. Our monitoring of the domestic industry is effectuated through audits performed by in-house staff as well as field examinations. These field examinations are conducted by a staff of three Certified Financial Examiners. Once our responsibilities in regard to our domestic companies are satisfied, our field examiners participate in examinations conducted by other states upon their domestic companies that operate in this State.

Another responsibility of this Division is to ensure that companies operating in this State report and pay the appropriate taxes levied by West Virginia statutes. This process involves the reconciliation of companies' quarterly reports and payments to their year-end tax returns and remittances. This responsibility includes the record keeping and deposit of all taxes and fees that flow into the Insurance Department.

This Division is also responsible for the tracking and collection of taxes generated by the Excess Lines market. Excess Lines refers to business placed with companies that are not admitted in West Virginia. This occurs when certain lines of insurance are not available with companies admitted in West Virginia. Coverage is written with these nonadmitted companies by licensed insurance agents that have obtained an Excess Lines Broker's license from the Agent Licensing Unit. The Excess Lines Brokers must provide reports to the Financial Conditions Division on individual policies written and remit the appropriate tax payment as detailed by the West Virginia Code.

The Agent Licensing function is a part of the Financial Conditions Division. The primary responsibility of the Agent Licensing Unit is to oversee the testing, application and appointment of resident and non-resident insurance agents, brokers, and other individuals licensed by this Department.

The information that follows consists of commentary on the activities of the Agent Licensing Division as well as a breakdown of the West Virginia insurance market, the financial status of admitted companies and the revenues processed by this Division.

AGENT LICENSING

The 1988 regular session of the West Virginia Legislature enacted two significant bills affecting Agent Licensing.

House Bill 4084 requires the licensing and regulation by the Insurance Commissioner of individuals who adjust property, casualty and surety claims on or after July 1, 1989.

As the Bill called for these individuals to be subject to an examination, a committee of industry and department representatives was assembled to work with Educational Testing Service to develop an exam to be administered after July 1, 1989.

Individuals engaged in the practice of adjusting prior to July 1, 1989 are exempt from the adjuster examination requirement. Those exempt individuals will have until November 1, 1989 to file an application with the Commissioner without being required to take and pass the examination.

House Bill 4010 amended Article 12, Section 2 of the West Virginia Insurance Laws to require new agents first licensed on or after July 1, 1989, to complete a program of insurance education.

The legislation created a board of insurance agent education consisting of the insurance commissioner and six members appointed by the commissioner.

The board was charged with establishing the criteria of a program of insurance education and submitting the proposal for the approval of the Insurance Commissioner on or before the thirty-first day of December of each year.

As a result of meetings held in December 1988, the proposed program was presented to and approved by the Commissioner and established the minimum hours of pre-licensing education as follows:

Life Only OR Accident & Sickness Only	30 Hours
Life and Accident & Sickness	40 Hours
Property-Casualty	40 Hours

Revision of the Part II portion of the agent licensing examination which is administered by Educational Testing Service (ETS), an independent testing service, took place in 1988.

Each ETS examination is a two-part multiple-choice test. Part I deals with basic product knowledge that is common to all states participating in the ETS Multi-State Licensing Program. Part 2 of each examination contains questions that deal with insurance laws, rules, regulations that are unique to West Virginia.

A committee of industry and department representatives convened with ETS' Test Development staff members to review the current versions of the exams for accuracy and relevancy to state law, insurance terms and concepts currently in effect. As needed, exam questions were revised or eliminated and new questions written to be incorporated into new forms of the exams which were introduced in October.

A total of 3,437 exams were administered to 2,292 candidates. Sixty-eight percent (68%) of the examinees chose to appear as walk-in candidates rather than to pre-register for a guaranteed seating.

The Charleston and Morgantown test centers use a computer module testing system (KEYWAY) which allows for on-site scoring of exams and provides candidates with their exam results before they leave the test center.

Beckley and Martinsburg are administered in the traditional paper and pencil manner as candidate volume is not large enough to warrant the electronic method.

Following are the cumulative figures of agent examinations and license applications, forms, and other requests processed during 1988 in Agent Licensing.
